EQUIPMENT**

WE ARE THE PACKAGING EXPERTS

With over 15 years of industry experience, we're transforming the packaged solutions sector supplying custom integrated containers.

From individual units to scalable projects, GEM can supply dependable, versatile, turn-key, and fully custom arrangements to meet your demands.

BESPOKE SOLUTIONS

TURNKEY SERVICES

WE PROVIDE **TURN-KEY** PACKAGES

GEM offers turn-key engineering, design, project management and modifications of shipping containers for a wide range of commercial and industrial solutions. Known as “cargotecture”, we’re leading the way in the development and manufacture of mobile & modular solutions.

INTEGRATED INNOVATIONS
DESIGN & ENGINEERING
SKILLED FABRICATORS
FLEXIBILITY & ADAPTABILITY
UNPARALLELED PERFORMANCE
A PROGRESSIVE MINDSET

PERFORMANCE DRIVEN DESIGN

When a client comes in with a special request, we have the ability to engineer, design and manufacture a container specific to their needs. Electrical, mechanical and structural modifications are all performed on-site for quality assurance and accuracy to ensure we deliver a top notch product each and every time!

THE GEM ADVANTAGE

TOP-NOTCH SERVICES

Our unique approach and diverse experience allows us to cover a wide range of processes and platforms. From containerized battery energy storage systems (BESS) and electrical power generation, to water treatment systems, power distribution equipment and UPS switch gear lineups, GEM is your one stop shop!
